G. A.'S MET AT CHURCH THURSDAY AFTERNOON—

The G. A.'s met at the Baptist Church Thursday afternoon. The meeting was called to order by the president, Gladys Whitman. Personal service was recorded. Devotional by Gladys Whitman. The topic of the program was "The Shepherd." The following parts were rendered:

"His Work"—Gladys Whitman.
"His Dress"—Frances Conner.
"At Night"—Sara Young.
"Jesus, the Good Shepherd"—Helen Jones.
"Waiting for the Good Shepherd"—Doris Dubose.
Story, "A Loyal Lad Missionary"—Marjorie Brunson.
Song, "Stand Up For Jesus."
Dismissed by the watchword.—Reporter.

Mr. and Mrs. J. M. Bonneau entertained at a birthday dinner Sunday honoring their daughter, Mrs. Walter Jackson. Only the immediate family and relatives were invited.

Mr. and Mrs. W. T. Whitman and Mrs. L. L. Farris attended the Baptist Sunday School Convention in Anniston last week. They report a most interesting convention and are loud in their praise of the entertainment received.

CARD OF THANKS

We are deeply grateful to our friends for each word and deed of sympathy toward us during the illness and at the death of our beloved daughter and sister, Cleatrice. We sincerely appreciate the kindly spirit in which Drs. Hayes and Crook of Elba and Drs. Gibson and Boyd of Enterprise rendered professional services. Although our hearts are crushed and our home so lonely, these tender expressions of love and sympathy have helped us to bow in submission, and say "Thy will be done." The thoughts of our friends and their kindness in this dark hour will linger on in our memory.

Mr. and Mrs. Robert Moore and Family.

NOTICE

In the Matter of the Estate of A. J. Danley, Deceased. In the Probate Court of Coffee County, Alabama, at Elba.

Notice is hereby given that the administratrix of said estate, Mrs. A. J. Danley, has filed her petition seeking an order of the Court to continue farming operations on the lands left by said decedent for the year 1935, and to extend the balance of the indebtedness due on said land and personal property to the fall of 1935, and to secure additional advances with which to make the crop for the year 1935.

Therefore, all interested persons are notified that the hearing on said petition is set for February 2, 1935, at the Probate Office in Elba, Alabama, at ten o'clock, A. M., at which time they may appear and contest said application if they see fit and proper so to do.

This, January 22, 1935.

J. A. CARNLEY,
Judge of Probate.

AN OPEN LETTER
To The Housekeepers Of Elba:
Is Electricity ECONOMICAL for a resident of Elba to use for home LIGHTING, COOKING and REFRIGERATION?
To arrive at a correct comparison the following formula should be used:
Assume that the present power bill covering operation of LIGHTS, RANGE and REFRIGERATOR is $7.50 per month. (We shall be glad to submit the names of a number of residents of Elba who are receiving this service for an average of this amount and even less.)
Compute for yourself the cost of this service for the home in using other than complete electric equipment, or, say, with electricity for lighting only:
Lighting Cost $..........?
Cooking Cost $..........?
Refrigeration Cost $..........?
Total per mo. $..........?
The use of modern electric appliances in the home affords the housekeeper not only the advantages of AUTOMATIC COOKING, AUTOMATICALLY CORRECT REFRIGERATION, but also will prove ECONOMICAL as compared with OTHER MEANS of securing this service.

C. N. Smith, Pioneer Elba Merchant, Dies Suddenly At Home Following Brief Illness

Claude N. Smith, prominent business man and one of Elba's most highly esteemed citizens, died at his home in West Elba last Thursday night about 7:30 o'clock, after a very short illness of acute indigestion. News of his passing brought deep sorrow to his host of friends, only a few of whom knew of his illness, and cast a veil of sorrow over the entire community.

Mr. Smith was stricken about noon Wednesday, and Thursday it was decided to remove him to a hospital for treatment but late Thursday afternoon his condition seemed to improve and this move was postponed. He was stricken again in the early evening and passed away suddenly.

Mr. Smith was born in Lee County on July 24, 1880, and was a son of the late W. C. Smith and Mrs. Barbara Smith. With his parents he came to Coffee County about forty years ago and for many years resided in the Pine Level community. Nearly twenty-five years ago he and his brother, J. D. Smith, came to Elba and established a mercantile business under the name of Smith Brothers. This firm has operated continuously since May 19, 1910, and is one of the oldest and most successful establishments in the city. He was well known throughout this entire section of the county and countless friends are grieved at his passing.

Surviving are his wife, Mrs. Glennie Smith; three sisters, Mrs. T. J. Whitman, Chipley, Fla., Mrs. E. O. Vaughan and Mrs. O. S. Winston, of Elba; seven brothers, A. A. and T. E. Smith of Shamrock, Texas, W. T. Smith, Detroit, Mich., A. R. Smith, Springdale, Ark., O. C., O. L. and J. D. Smith, of Elba.

Funeral services were held in the Methodist Church Saturday morning, being conducted by Rev. B. G. Smith, Rev. B. S. Franklin and Minister J. C. Dixon. Interment was in Evergreen Cemetery.

Active pallbearers were: W. T. Whitman, J. D. Whitman, Olin Winston, Rodger Winston, Henry Smith and Isadore Smith. Bonneau-Jeter had charge of funeral arrangements.

Among those from out-of-town to attend the funeral of Mr. Claude Smith Saturday were: Mrs. C. L. Rowe, Mr. and Mrs. W. S. Huey, Mr. J. A. Huey, Mrs. Bolling Huey, Mrs. D. C. Barnard, Mr. and Mrs. Otho Rowe, Mr. and Mrs. Herbert Singletary, Mr. and Mrs. John Chancey, Mr. and Mrs. Walton Chancey, Mr. C. J. Rowe, Mr. J. C. Mays, Mrs. John D. Stewart, Mrs. D. H. James, Mrs. Ed Morgan, Mr. Rowe Watson, of Enterprise; Mr. and Mrs. Ralph Gunter, Mr. and Mrs. Guy Gunter, Miss Lucy Gunter, of New Brockton; Mr. Walter Hartzog, of Ozark; Mr. and Mrs. T. P. Winston, of Opp; Mrs. Bertha Dozier and Mr. Alford of Mt. Meigs; Mr. and Mrs. Virgil Mays, of Andalusia; Mr. and Mrs. T. J. Whitman, of Chipley, Fla.

Y. W. A. MEETS WITH MISS EVELYN JOHNSON—

The Young Women's Auxiliary held a meeting on Monday evening at the home of Miss Evelyn Johnson. Miss Margureite Franklin presided over the meeting. The devotional was conducted by Miss Franklin with prayer by Mrs. B. S. Franklin. Afterwards, Mrs. Franklin related in an interesting manner the story, "Handmaidens of the King." Personal service was recorded by Miss Myrtle Farris.

The program was concluded with the watchword in unison. Miss Mary Ellen Farris was a visitor.—Reporter.

Mr. and Mrs. John Brock and little daughter of New Brockton visited at the home of Mr. and Mrs. O. Dowling last Thursday.

Dr. W. M. Ringsdorf, Mrs. Lillian Ringsdorf, Marshall Ringsdorf, Jr., and H. C. Bryan visited Mr. and Mrs. J. F. Frazer in LaFayette Sunday.

SIXTY-TWO NEW VOTERS REGISTERED LAST WEEK

According to a report filed in the Probate office, a total of sixty-two new voters registered in the county last week when the books were opened by the board of registrars.

Much interest is being manifested in special elections to be held during the year, and this perhaps accounts for this number being added to the lists.

MRS. COOPER AND MRS. SANDERS HOSTESSES—

Mrs. Nell Cooper and Mrs. W. W. Sanders were hostesses to the Methodist Woman's Missionary Society Monday afternoon in the hospitable and attractive home of the former. Mrs. B. G. Smith directed an impressive and well rendered program of "Praise and Promise." Others assisting Mrs. Smith with the program were Mrs. Harris Murphree, Mrs. Ridgeway Boyd, Mrs. John Kendrick and Miss Sallie Collier.

After the signing of pledges a social hour was enjoyed, at which time the hostesses served delicious refreshments.

The following from The Missionary News Bulletin will be of interest:

Case Hall

"Miss Alice Appenzeller, president of Ewha College, Seoul, Korea, reports:

"'Case Hall is growing more beautiful every day. The scaffolding is being taken down, and I hope we can soon send you a picture that will give you some idea of its beauty. The stone work is lovely. Interiors are in soft tans and creams and browns—very restful and beautiful. The soundproofing in all music rooms is of the latest model, copied from what they use at the Institute of Musical Art in New York.'

"Case Hall, our readers will recall, is the building on the campus of this union college which bears the name of the late Miss Esther Case, former Administrative Secretary of Foreign Fields. The gifts of the 1932 Week of Prayer for Foreign Work went into the erection of this building."

MRS. HARPER GIVES BIRTHDAY PARTY FOR SON—

Mrs. Fred Harper entertained a group of children at her home Saturday afternoon honoring her son, Fred, Jr., on his seventh birthday.

A color note of pink and white was used in the decorations. The table was centered with a birthday cake embossed in white and bearing the appropriate number of pink lighted tapers.

A group of games and contests were enjoyed. Prizes were won by Frances Boutwell and Fred Harper, Jr.

Refreshments were served to Jeanette Lubert, Peggy Blue, Levy Morrow, Jr., Jimmy Childs, Jake Lubert Morrow, Frances Boutwell, John Burton Harper, William Howard Harper, Claudine Fleming and George Morrow, Jr.

Dr. and Mrs. W. M. Ringsdorf announce the birth of a son Friday morning, January 25th, at the Enterprise hospital, whom they have named John Frazer. Mrs. Ringsdorf and son were returned to their home in Elba Tuesday.

Prof. J. C. Dixon, Supt. Rowe Watson, Mrs. Roberta Childs, Olin Winston, Misses Mary Marsh and Adelle Dixon attended the famous play, "Green Pastures," in Montgomery Monday night. They report that they were highly entertained and well repaid for their trip.

Judge and Mrs. J. A. Carnley were visitors to Enterprise Monday.

Mr. and Mrs. Herman L. Baker announce the birth of a daughter January 23rd, at a Dothan hospital, whom they have named Madge Elaine.

METHODIST YOUNG PEOPLE TO HAVE INSTITUTE SOON

With good delegations from Opp, New Brockton and Elba, the Excelsior Young People's Union met with the Andalusia Young People's Division last Friday night for the regular monthly meeting. George Proctor of Andalusia, president, opened the business session, during which several matters of importance were discussed.

Most of the business session was taken up in discussion of a Christian Culture Institute to be held in New Brockton February 15, 16 and 17. Bartlett Engram of New Brockton, who will act as dean of the Institute, was present and announced some of the highlights. The theme of the Institute will be "Rumor or Experience," and the theme song will be "This Is My Father's World." Dr. D. W. Haskew, pastor of the Andalusia Methodist Church, will have charge of the platform addresses and Miss Mertice Richberg of Opp will lead the vesper services.

Instructors will be Miss Grace Norton and Mr. George Connor of Andalusia, Rev. B. I. Hughen, pastor of the New Brockton Methodist Church, and Mrs. Bill Wise of New Brockton. Announcement of the Institute was received with a great deal of enthusiasm and it is expected that this will be one of the major activities of the Excelsior Union for the present year.

The main feature of the devotional part of the program Friday night, which was under the direction of Miss Margaret Shreves of Andalusia, was Dr. Haskew's talk on "Christian Education."

Following the program, the Andalusia Department was host at a social hour, during which directed recreation was led by Mr. George Connor and refreshments were served.

The Efficiency-Attendance banner was awarded the Andalusia Department.

PRUDE CROOK THANKS HIS FRIENDS FOR KINDNESSES

U. S. S. Saratoga,
San Pedro, Calif.

I want to thank the many friends of mine and my family's in and around Elba for the loving kindness shown them during their saddened hours, due to the death of my brother-in-law, Herbert Rainey, and Grand Dad Crook. I am sure nothing was left undone. Although it was impossible for me to be there, still my heart was with them. I'm sure everyone will help them to look at the Bright Side of Life and lift the shadow of sadness which hovers over them.

Again I want to thank everyone and always remember, no matter where I am, Elba will always be home to me, and may God's richest blessings be theirs.

Sincerely yours,
H. P. CROOK.

The many friends of Mr. and Mrs. Hard Talbot, Elba Route 1, will regret to learn of their illness. Both have been suffering from pneumonia. Mrs. Talbot was carried to the Enterprise hospital the first of the week for treatment and Wednesday was reported as slightly improved. Mr. Talbot is also reported to be improving at his home.

Friends of Miss Louise Tucker are rejoicing that she has recovered from a serious illness of several weeks duration.

Mrs. Lane McKinney, teacher at Dale County Line, spent the week-end in Elba with Mr. and Mrs. N. G. Tillman.

Mr. and Mrs. J. F. Brunson, Mrs. Dana Perdue and Misses Annie Laurie Bullard and Madge Page attended the play, "The Green Pastures," in Montgomery Monday.

About People and Things

By C. B. McDowell

MORE THAN BUSY—Dr. W. C. Braswell, Coffee County's representative in the State Legislature, is undoubtedly the busiest man in this community. He is a member of four major committees—Agriculture, Education, Appropriations and Health, besides several other minor committees. He is especially well qualified to serve on all four. "Doc" says his committee duties do not permit him to make daily trips to and from Montgomery. He says they are transacting more business than Alabama legislatures are in the habit of doing, but as he expresses it: "By hokey! they waste too much time up there. I wish they would hurry up and get through!" However, Dr. Braswell found time while he was home over the week-end to usher four babies into the world, which makes 17 for January. Not a bad record for a busy legislator.

FINE WEATHER—For the past week, this section has been experiencing almost ideal winter weather. Following severe cold weather in December (some folks blame it on Uncle Wiley Bullard's geese), the first half of January was unusually warm. In fact, there seemed to be danger of vegetation becoming too much advanced for the season and get killed later on. It was suggested that even Uncle Wiley's geese were thinking of flying back north. But one of the worst winter storms in many years enveloped the whole country about ten days ago, causing heavy loss of life and property damage in many sections. Snow fell on all sides of us, even far south of us, down into Sunny Florida. Elba and the Wiregrass section were about the only territory that escaped. The mercury dropped to about 22 degrees here two mornings last week. Since that time we have been having real bracing winter weather with heavy frosts every morning, but with only a trace of ice. Fine weather for saving meat. This climate is hard to beat.

* * * * *

MADE FINE SHOWING—The many Elbians who attended the colorful inaugural ceremonies of Alabama's new governor January 14 report that they were made to feel proud of the fine showing of Elba's unit of National Guardsmen. The trucks, guns and other equipment had been polished until it fairly shone and the boys' new uniforms gave them a decidedly natty appearance.

* * * * *

IMPROVEMENTS—The A. C. L. Company has removed the ugly stob posts about its Elba station and replaced them with metal pipe posts and railing, painted bright orange, which adds greatly to the attractiveness of the premises. Agent Almon Strain is making strenuous efforts to reduce his nut grass acreage and yield by pasturing a hungry porker on his station flower garden. Mr. Strain says that the experiment promises to be a success, as the shoat has rooted everything within the inclosure to a depth of a foot or so. He says, however, that if the present hog fails to rid the place of the obnoxious grass, he will get a regular razor-back to finish the job. The Coast Line's crop of nut grass bids fair to be greatly reduced the coming season.

* * * * *

VANDALS—Water Supt. Ernest Owen was greatly chagrined a few mornings ago when he discovered that the new pipe railing he had built around the drinking fountain at the city pumping station had been laid flat during the night by some evil-minded vandal. Mr. Owen promptly restored the railing, but hinted that it might not be entirely safe for the perpetrator of the nefarious prank to repeat the offense.

* * * * *

TIRED OF IT—Mr. and Mrs. W. K. Farris and family recently moved from Chicago to Elba. They have a 4-year-old son, Bobby. His Southern relatives have been teasing him somewhat concerning his Northern brogue. One of them recently heard Bobby talking strangely and asked him what in the world he was trying to say. He replied: "I don't want to be a damyankee all my life."

* * * * *

REVERSED? — Gordon Conner says he might have gone to Montgomery to see Governor Graves inaugurated if they hadn't gotten the "cart before the horse" in the parade. Bud says they should have had Bibb chauffeuring for Dixie Howell, Alabama's most distinguished citizen.

* * * * *

NO USE—Harold Deal says Olin Winston and Bud Conner might just as well quit trying to embarrass him by telling stale jokes. Meanwhile, Elba's most altitudinous and Jim Whitman's most efficient and accommodating "fizzician" goes right on pursuing the even tenor of his way, refusing to become "flabbergasted" by anything the aforementioned "nitwits," as Harold calls them, may say or do.

SPECIAL—Prof. J. C. Dixon requests me to announce that he will preach a special sermon at the Elba Church of Christ next Sunday morning, taking for his subject "The Lord's Prayer." Prof. Dixon is a well-versed Bible student and an able minister of the Gospel, and I am sure his manner of treating the passage of scripture of which we are all so familiar will be well worth hearing. Everybody is cordially invited.

* * * * *

QUARTERLY CONFERENCE—Dr. B. C. Glenn, the new presiding elder of the Troy District, will preach at the Elba Methodist Church Sunday morning, February 10, and hold his first quarterly conference at a time to be decided, probably at 2 o'clock that afternoon. Dr. Glenn comes to the Troy District from Pensacola, Fla., where he was pastor of that city's strongest Methodist Church. He bears a fine reputation as a preacher and Christian gentleman. It is hoped that a large congregation will greet Dr. Glenn when he makes his initial visit to our city. Former Presiding Elder J. Fletcher McLeod has succeeded Dr. Glenn as pastor of the church at Pensacola.

* * * * *

ECONOMY— Terry Kendrick, Coffee County's efficient and accommodating deputy probate office tender, is really practicing economy these days, despite the teachings as set forth in the New Deal. Among other things, Terry has laid up his car in the garage, cut his "dopes" down to a mere half dozen daily, half soles his own shoes and has had his wife make him a set of galluses out of a rubber inner tube. He is also trying to recoup his financial standing by adding to his income by means of numerous wedding fees.

* * * * *

SOMETHING QUEER—There's a "nigger in the woodpile" somewhere or somehow, but I haven't figured it out as yet. The word has been slipped to me that Jim Whitman killed a big rattlesnake while bird hunting one day last week, but that he has been making strenuous efforts to keep the matter a secret. Why all the secrecy, Jim? Is it because you do not want to butt in on your brother-in-law's reputation as Coffee County's champion rattler exterminator?

* * * * *

BASKETBALL TOURNAMENT—Basketball fans are all agog anent the Junior High School tournament to be held at Kinston Saturday, February 2, for the purpose of determining the championship of the rural schools of Coffee County. Teams from Rhodes, Ino, Fairview, Mt. Pleasant, New Hope, Curtis and Damascus have already entered. The tournament is to begin at 9 a.m. and the final game will be played at 7:30 p.m. Following the final tournament game, the famous Kinston quintet will play the strong New Brockton team, which should be a fitting climax to a great day of basketball.

* * * * *

CLUB GROWING—A letter received from Kinston says: "Our Men's Evangelistic Club is progressing nicely and we are anticipating the visit of your club with us February 14; we are trying to have fifty members by that time, and I think we will have them."

* * * * *

CLUB BANQUET—The Rev. B. G. Smith and Prof. J. W. Mayfield were hosts last Thursday evening at a banquet given for members of the Business Men's Evangelistic Club at Stephenson's Cafe. The Rev. B. S. Franklin was an invited guest. A toothsome meal and an hour of fine Christian fellowship was enjoyed, after which the party repaired to the Methodist Church, where the regular semi-monthly club service was held. The club members will visit the newly organized Kinston club on the night of February 14.

SEXTON ADDRESSES LETTER TO COFFEE COTTON GROWERS

Notice has just been received that no sale or transfer of Tax-Exemption Certificates will be made in this county after February 9, 1935. All persons having certificates to buy, sell or transfer are requested to get in touch with Fred L. Thompson, Assistant in Cotton Adjustment, at once.

HUGH D. SEXTON,
County Agent.

HOG SALES WILL BE HELD IN COUNTY NEXT WEEK

Hog sales will be held at Enterprise on Tuesday, February 5, and at Elba on Wednesday, February 6, according to announcement of Hugh D. Sexton, county agent.

Mr. Barney Cole left recently for Atlanta, Ga., where he has accepted a position.

Miss Lillie Jean Simmons has returned from a visit to relatives in Montgomery and Auburn.

BRUCE SHELTON IS NAMED HEAD OF PRESS ASSOCIAT'N

MONTGOMERY, Ala., Jan. 26.—Bruce Shelton, publisher of The Tuscaloosa News, was elected president of the Alabama Press Association yesterday at the opening session of the annual two-day mid-Winter convention. Shelton, formerly vice-president, succeeds Jesse B. Adams, of Ozark, publisher of The Southern Star.

Other officers included M. C. Giles, Sheffield (Standard), and R. G. Bozeman, Evergreen (Courant), vice-presidents, and Billy Smith, Chilton County News, treasurer. Board of Directors: W. H. Murray, A. F. Leavitt, Forney G. Stephens, Cliff Walton, Cullen Morgan, H. H. Golson, R. G. Bozeman and R. C. Bryan.

More than 100 persons attended the all-day session, brought to a climax last night with a banquet at which Farm Credit Administration chiefs of the New Orleans District, Howell Turner, Secretary of State, Thad Holt, Director of Alabama Relief Administration, and Clayton Rand, publisher of The Gulfport Guide, Gulfport, Miss., were chief speakers. Shelton was toastmaster.

FRANCES BOUTWELL IS HOSTESS TO SUNBEAMS—

The Sunbeams held a meeting on Friday afternoon at the home of Frances Boutwell. The first vice-president, Frances Armor Morrow, presided over the meeting. Gwendolyn Boutwell attended to the secretarial duties in the absence of the secretary.

Devotional was conducted by Frances Armor Morrow, with prayer by Fred Harper, Jr. A vocal duet, "Now Ye Lay Me Down To Sleep," was sung by Frances Armor Morrow and Fred Harper, Jr. The verse, "Although We Cannot Go to School," was given by Gladys Henderson. The song, "It's a Good Thing to Scatter Sunshine," was sung by Peggy Blue, Frances Boutwell, Frances Armor Morrow and Totsie Mae Bryan. "Finger Play" was dramatized by Mary Oswell Dowling, Jo Marjorie Henderson, Frances Boutwell and Jeanette Horn, followed by "Play Songs" being sung. The "Welcome Song" was sung by Frances and Max Boutwell. The program was concluded with the "Good Night Prayer," by Frances Boutwell. The Band was glad to welcome Max Crook as a new member. Mary Winston and J. Doug. Kendrick were visitors.

At the social hour the Sunbeams were entertained with readings by Peggy Blue and Frances Armor Morrow. Delicious refreshments were served by the little hostess. She was assisted by Max Boutwell.—Reporter.

CATHERINE BRUNSON HOSTESS TO MUSIC CLUB—

The High School Music Club was delightfully entertained by Catherine Brunson on last Wednesday afternoon at the home of her parents, Mr. and Mrs. J. F. Brunson.

After a brief business session, the following program on the Bohemian School of Music was enjoyed:

Piano Duet—Aline Smith and Annie Laurie Bullard.
Z. Fibich—Sara Talbot.
Johann Dussek—Corinne Bonneau.
Piano Solo—Catherine Brunson.
Frantisek Skroup—Sonny Inman.
Bedrich Smetana — Fleetwood Carnley.
Piano Solo—Mary Ruth Fleming.
Antonin Dvorak—Adelle Dixon.
Piano Duet—Mahlon Owen and Marguerite Franklin.

Dainty afternoon refreshments were served at the conclusion of the program.

NOTICE

Elba, Ala., Jan. 28, 1935.

To the Payers of License Taxes:

This is to remind you that privilege licenses due the City of Elba, which were due January 1st, 1935, will be delinquent February 1st, 1935. Under the provisions of the City Ordinance levying license taxes for the year 1935, a penalty of ten (10) per cent must be collected on all privilege license paid after the same are delinquent. In addition, doing business without having first paid the privilege license required by law is made a misdemeanor, and is punishable by levying a fine against the offenders.

The City Administration is doing its best to give the people of Elba a business-like operation of the City's affairs. In order to accomplish this, the cooperation of all persons concerned is absolutely necessary.

This is, therefore, to urge that you pay the privilege license due by you to the City of Elba before the same becomes delinquent on February 1st, 1935. In addition to saving you the penalty of ten per cent and added court costs, it will be a great favor to your City Administration.

Respectfully,
L. P. MULLINS, Mayor.

Mr. Sam Cole of New Orleans, La., was a visitor to Elba during the week-end.

Messrs. W. M. Brunson and B. H. Mitchell, Jr., transacted business in Montgomery last Friday.

New Deal Bills Will Be Re-Drafted Before Passage By Alabama State Legislature

"DEATH TAKES A HOLIDAY" PLAYING LAST TIME TONITE

A photoplay which must be included on anyone's list of the ten best pictures of 1934 opened Tuesday at the Elba Theatre. It is Paramount's production of "Death Takes A Holiday," starring Fredric March and featuring Evelyn Venable, Sir Guy Standing and Kent Taylor. It is one of the most magnificently beautiful productions ever to grace the talking screen. The story is based on the intriguing idea of Death, the eternal shadow, taking a three-day holiday that he may come to this world to taste life's pleasures to the full. He comes as a gay, dashing, romantic Prince, his real person unknown to the guests at the house party at which he makes his appearance. . . But see for yourself the wonderful acting of this prize-winning cast. "Death Takes A Holiday" makes its last appearance at the Elba Theatre tonight.

Coming Friday, for one day only, is Monogram's "Jungle Bride," with Anita Page and Charles Starrett, with a good supporting cast.

In addition to the regular Western feature, the road show, "Big City Girl Revue," will play Saturday afternoon and night, featuring the Kentucky Coon Hunters, Hill Billie Stage Band, Three Comets, unique tap dancers, Mary Lasky, sensational acrobatic dancer, and many other attractions seen only in this show. An especially big feature is the Midnight Ramble at 11 o'clock.

Sunday and Monday—Myrna Loy is the leading lady in "Stamboul Quest," and is supported by George Brent and Lionel Atwill.

Sunday night, 8-30—"Lovetime," a magnificent musical show, with a superb cast: Pat Paterson, Nils Asther, Herbert Mundin, Harry Green and Henry B. Walthall.

BAPTIST W. M. U. MET IN CIRCLES MONDAY—

Circle No. 1 of the Woman's Missionary Union of the Baptist Church met on Monday afternoon with Mrs. J. M. Folsom, with the chairman, Mrs. Ross Clark, presiding. During the social hour refreshments were served.

The Young Matron's Circle held its meeting Monday afternoon with Mrs. Fred Harper. Mrs. Icie Blackmon presided and also gave the devotional. Routine business was transacted. The Mission Study was taught by Mrs. Lewis Brooks. A social hour followed, during which refreshments were served.

Mr. and Mrs. H. B. McCord announce the arrival of a baby girl at their home near the cemetery Sunday morning. As Mr. and Mrs. McCord are the parents of three husky boys, they are said to be more than pleased with their new daughter.

A son was born to Mr. and Mrs. Levy Morrow on Tuesday morning, January 29th.

Mr. J. D. Whitman motored to Chipley, Fla., last Friday and brought his parents, Mr. and Mrs. T. J. Whitman, to Elba to attend the funeral of Mrs. Whitman's brother, Mr. C. N. Smith.

Mrs. J. F. Frazer of LaFayette is visiting in the home of her daughter, Mrs. W. M. Ringsdorf.

Attorney J. C. Fleming was a business visitor to Montgomery Friday.

CARD OF THANKS

We wish to express our very deep appreciation to our many friends in Elba and elsewhere for their expressions of sympathy and deeds of kindness during our recent bereavement, the death of our husband and brother, Claude N. Smith. Your thoughtfulness and sympathy have made it easier for us to carry our great burden of grief, and we shall ever be grateful to you.

Mrs. Claude Smith,
Mr. and Mrs. J. D. Smith,
The Smith Family.

MONTGOMERY, Jan. 30.—Three of the 11 Washington-drafted bills, conditioning Alabama to receive $88,000,000 in Federal benefits, were passed in the House of Representatives yesterday, but the remaining eight were entrusted to a subcommittee for a re-writing to purge them of constitutional defects with which they were said to be thickly infested.

The re-written legislation will be in the form of substitute bills and it is the hope of administration leaders that they will be ready for introduction as such tomorrow morning and that final passage will be reached in time for the Legislature to recess this week.

The decision of administration advisers to have the bills re-written either was not reached or did not become generally known until last night and tension prevailed in both Houses, where the first real debate of the session was in prospect should an effort be made to push the new deal bills forward.

The subcommittee chosen by the administration to work with Atty. Gen. Carmichael on the redraft of the bills includes Lieut. Gov. Knight, Senators Riddle and Simpson, Speaker Walker, and Representative Harrison. They were chosen from the personnel of the joint committee, which at the Governor's request has been mulling over the complex body of legislation ever since it was initiated last week.

Most of yesterday was given over to a committee conference on the eight controversial measures, interrupted by two public hearings at which representatives of utilities appeared to state objections and suggest amendments.

Last night it was learned that the full committee had agreed on an amendment or series of amendments creating a commission to handle all the bonds, the issues of which have five members and in it would be concentrated sufficient authority, in the opinion of the committee to safeguard the public.

While it is the hope of the Administration that the new deal legislation may be completed this week, some of its leaders in both Houses were frank to say they did not believe it could be done. It was their opinion that the recess would not be taken until some time next week. Nevertheless, Governor Graves is anxious to get the legislature out of the way and he has a tremendous majority anxious to carry out his will.

EXPRESSION CLASS GAVE INTERESTING RECITAL—

A large audience was pleasantly entertained last Friday night at the school auditorium by a recital given by Mrs. Dana Perdue's expression class. The program was varied in a way that made it interesting and highly entertaining. Much talent was manifested by the pupils, all of them performing in a manner creditable to themselves as well as to their teacher.

TOMORROW—FRIDAY, LAST DAY TO PAY POLL TAX

Tomorrow, Friday, February 1st, is the last day on which you can pay your poll tax. Many important matters are to be voted on during the year. Next month you will be called on to express your opinion as to the prohibition question. The election has been called for February 26. Unless you pay your poll tax now, you will not be able to vote on this matter, as well as others which may come up. DON'T PUT IT OFF—PAY AS SOON AS YOU READ THIS REMINDER.

THE HUMAN MACHINE

Human bodies are frequently referred to as machines. In a certain sense they are machines, but they possess properties not usually found in machines fabricated from inanimate materials.

In the first place, the human machine, and that of other animals as well, has the peculiar faculty of repairing and renewing itself if nature is given a fair chance. In the second place, these living machines can function even though many of their parts are entirely missing.

Just how far they may go in this respect is hardly appreciated by the layman who has not given thought to the subject. Dr. J. F. Edrman of New York recently gave some information along this line by enumerating a few of the parts which may be spared without destroying one's usefulness. He reminds us that one "may go about his work minus a leg, an arm, an eye, his tonsils, appendix, gall bladder, one kidney, part of his lungs and brain, and as much as 12 feet of his intestines."

Recent development in surgery have made possible operations on the heart, the entire removal of one lobe of the lungs, and modifications of other organs formerly thought indispensible in their intact state.

In some cases science has been able to fit us up with spare parts which function almost as well as the original ones.

Folks must repeat; there isn't enough original conversation to go around.

The pickpocket is not aristocratic, as he never loses the "common touch."

We often wonder whether those noisy legislators carry on that way around home.

An optimist is a man who expects to find a clean pair of socks without holes.

If practice makes perfect, most married men should be able to produce convincing fiction.

WEAK AND SKINNY MEN, WOMEN AND CHILDREN

Saved by new Vitamins of Cod Liver Oil in tasteless tablets.

Pounds of firm healthy flesh instead of bare scraggy bones! New vigor, vim and energy instead of tired listlessness! Steady, quiet nerves! That is what thousands of people are getting through scientists' latest discovery—the Vitamins of Cod Liver Oil concentrated in little sugar coated tablets without any of its horrid, fishy taste or smell.

McCoy's Cod Liver Oil Tablets, they're called! "Cod Liver Oil in Tablets", and they simply work wonders. A little boy of 3, seriously sick, got well and gained 10½ lbs. in just one month. A girl of thirteen after the same disease, gained 3 lbs. the first week and 2 lbs. each week after. A young mother who could not eat or sleep after baby came got all her health back and gained 10 lbs. in less than a month.

You simply must try McCoy's at once. Remember if you don't gain at least 3 lbs. of firm healthy flesh in a month get your money back. Demand and get McCoy's—the original and genuine Cod Liver Oil Tablets—approved by Good Housekeeping Institute. Refuse all substitutes—insist on the original McCoy's—there are none better.

Doctors Know!

. . . and they use liquid laxatives

You'd use a liquid, too, if you knew how much better it makes you feel.

A liquid laxative can always be taken in the right amount. You can gradually reduce the dose. *Reduced dosage is the secret of real and safe relief from constipation.*

Just ask your own doctor about this. Ask your druggist how popular liquid laxatives have become. The right liquid laxative gives the right kind of help—and the right amount of help. When the dose is repeated, instead of more each time, you take *less*. Until the bowels are moving regularly and thoroughly without aid.

People who have experienced this comfort, never return to any form of help that can't be regulated! The liquid laxative generally used is Dr. Caldwell's Syrup Pepsin. It contains senna and cascara, and these are *natural* laxatives that form no habit. It relieves a condition of biliousness or sluggishness without upset.

To relieve your occasional upsets safely and comfortably, try Syrup Pepsin. The druggist has it.

Eleven Years Of Rural Service

36,750 Rural Customers Now On Company Lines

December 31st, 1934 your company completed the eleventh year of its rural electrification program, initiated for the purpose of making the conveniences of electric service more generally available to residents of rural areas in Alabama and to further the development of our state's agriculture.

In 1934 when your company began this work, the only facts available were that rural people wanted electric lights in their homes and that the company wanted to make the service available. However, it was found that use of lights alone would not make the service economical either to customers or to the company.

Therefore the first problem was to obtain information as to what farm uses electricity could be adapted satisfactorily and economically. This was done through co-operative experimental and research work with the State Agricultural Experiment station, State Agricultural Extension Service, Farm Bureau Federation and farmers throughout Alabama.

Information was obtained with reference to more than 100 different uses of electricity in rural homes and on farms. With this at hand the program was begun and carried on aggressively.

As a result of this work, electric service has been extended to more than 24,000 customers in small rural communities and along more than 2,000 miles of state highways. These customers were entirely without electric service prior to the extension of our lines. They would still be lacking in electrical conveniences except for the company's activity in behalf of rural electrification.

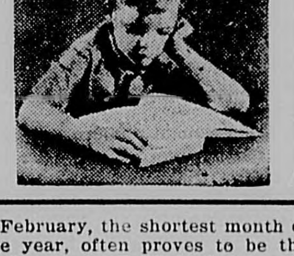
Today your company is serving rural customers in 64 of Alabama's 67 counties. There is no community of 500 or more in this area which does not enjoy the conveniences of electricity. Outside of urban areas, as defined by the Federal Bureau of Census, your company is now serving 36,750 customers.

At the outset of the rural program average use of electricity by rural customers was 400 KWH a year. Despite the fact that many of the best rural lines have been transferred from the rural rate classification, present average use on the remaining lines is 973 KWH a year, or two and one half times the use in 1924.

Although expansion has been continuously to a lower density of customers per mile of line and the company has borne the entire investment of the lines, there has been a continuous reduction in rural rates. At present rural lines are serving less than 4 customers per mile of line. In November 1934, the average rate per KWH paid by the 8,329 customers was less than 5 cents per KWH.

Many Improved Appliances To See Service During 1935

Children Need More Light In February



February, the shortest month of the year, often proves to be the darkest too. Twilight falls early. Many days are cold and rainy; long evenings must be spent indoors.

As any mother knows, such close confinement is very difficult for children. They must be amused. They must be kept busy. And this means playing with toys on the floor, looking at picture books, drawing, coloring, and the like.

What a tax on little eyes—if the lighting is not ample for easy, restful seeing!

In many homes children play in the "danger zone" of poorly lighted living rooms—try to read or look at books far from a lighting fixture — strain their eyes needlessly in many other ways.

Children do not know this danger. But you, as a mother or father, should take immediate steps to prevent it.

A few extra lamps in the living room, a new outlet or so in the nursery, another table lamp — these things means so much to your children.

Let us tell you how little they cost.

245 New Industries

During the past decade, under the leadership of Thomas W. Martin, the Alabama Power Company has aided directly and indirectly in the location of 245 new industries in this state, manufacturing 105 different products with approximate capital investments of $73,000,000; a total of 27,819 employees, receiving over $23,000,000 in salaries and wages annually.

REDDY KILOWATT YOUR ELECTRICAL SERVANT

Attractive Stock Of Modern Merchandise Available For New Year

More labor saving electric appliances will be used in Alabama homes during 1935 than during any year in Alabama history. This is strongly indicated by the substantially improved demand which has marked the first month of the New Year.

Anticipating far more widespread use of all kinds of electric equipment, your company has made arrangements to assemble an unusually attractive stock of the most modern merchandise. Ranges, refrigerators, water heaters, washing machines, embodying the latest innovations and improvements together with a wide selection of small appliances, will be available to our customers.

With electric appliance prices far below peak levels, with easy financing terms, and record low rates, the time has come when almost any family in Alabama can afford these conveniences.

Appliance sales in 1934 exceeded those of 1933 by $492,192. Refrigerators sold in 1934 numbered 4,254 compared with 2,385 the preceding year. Range sales were 1,269 compared with 318, water heaters 629 compared with 86 and washing machines 659 compared with 52.

New Use For Southern Pine

Added to the recent discovery that a first class quality of newsprint can be made from Southern pine, comes the announcement that a synthetic silken yarn can be produced from the same source, and it, like the newsprint, comes from the experimental laboratory of Dr. Charles H. Herty, at Savannah. With great newsprint and rayon industries based on Southern pine and furnishing a new source of income for this section, in the future when the South recounts its benefactors, Dr. Herty will stand out prominently among those who lead the list.

Highlights Of 1934

Taxes of Alabama Power Company amounted to over $2,000,000.

Salaries and wages paid totaled approximately $2,900,000.

Persons employed numbered about 1,900.

Customers served numbered 105,000.

Supplies and materials bought, chiefly from Alabama industries and firms, cost approximately $1,500,000.

EVERY CHILD HAS RIGHT TO A STRONG BODY

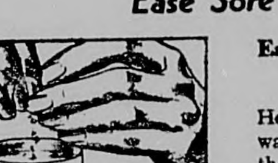
You can insure your child against rickets and be sure that his body is protected against winter ailments by using

McKESSON'S COD LIVER OIL

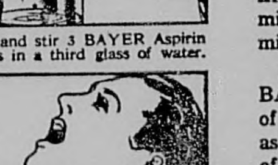
Keep your children healthy in winter months—with Vitamins A and D. Vitamin A helps guard against colds. D the sunshine vitamin prevents rickets and builds strong bones and sound teeth. For sale at your favorite Drug Store.

THESE PICTURES SHOW

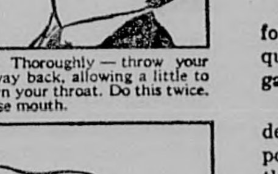
Modern Three-Minute Way to Ease Sore Throat



1. Crush and stir 3 BAYER Aspirin Tablets in a third glass of water.



2. Gargle Thoroughly — throw your head way back, allowing a little to trickle down your throat. Do this twice. Do not rinse mouth.



3. If you have a cold, take 2 BAYER Aspirin Tablets. Drink full glass of water. Repeat if necessary, following directions in package.

Ease Pain, Rawness, Soreness Almost Instantly

Here's a safe, modern and effective way to relieve sore throat. A way that eases the pain, rawness and irritation in as little as two or three minutes. Many doctors advise it and millions are following this way. Try it.

All you do is crush and stir 3 BAYER Aspirin Tablets in ⅓ glass of water and gargle with it twice—as pictured here. (If you have signs of a cold, take BAYER Aspirin and drink plenty of water.)

Get *real* BAYER Aspirin Tablets for this purpose. They disintegrate quickly and completely, making a gargle without irritating particles.

BAYER Aspirin prices have been decisively reduced, so there's no point now in accepting other than the real Bayer article you want.

FARMER JONES AND HIS COW PEN

By JUDGE W. M. BRUNSON

Last week I told you about my plans for livestock for my one-horse farm. I now have my barns repaired, my hen houses built, the pig pens finished and I'm all ready for business. I have traded for enough feed to get me by until I can grow more feed. So I'm now ready to tell you about my crop plans. I have gone over my little one-horse farm and studied my lands very carefully and I have tried to divide my lands into plats according to the nature of the soil. I believe that every piece of land will produce something profitable if I can only learn what that crop is. I expect to cultivate about 30 acres of land with my one mule and I have divided it up as follows: 2 acres in sweet potatoes, ½ acre in sugar cane, 1 acre in citrons, 3 acres in dent corn, 1½ acres in sorghum, 10 acres in corn and beans, 5 acres in Spanish peanuts, 5 acres in runner peanuts and 2 acres in garden and other patches. Ordinarily I would not plant an acre in citrons but I have a sand knoll which will not make anything else so I'm planting it in citrons for my winter cow feed. The three acres set aside for dent corn will be planted at three or four plantings. The first dent will be planted the first week in March and another patch will follow each thirty days until July 1st. The same thing is true about my sorghum. I hope to have as many as three or four plantings of sorghum. Each piece of land is reasonably well suited for the crop to be planted and I shall use fertilizer under all these crops except the citrons. Cow lot fertilizer goes under the potatoes and sorghum as well as the dent corn and sugar cane, while phosphate goes to the peanuts and a little guano under the cotton. I plan to use a sack of phosphate to each acre of peanuts, a sack of guano to each acre of cotton, 75 pounds of soda to each acre of corn and 75 pounds of soda to each acre of cotton. I shall also use one sack of phosphate with my cow lot fertilizer to each acre of potatoes. The dent patch will also be my pea patch and milk cow patch. I shall plant my dent corn in five-foot rows and a row of peas will be planted about thirty days before I lay the corn by. This first planting will be fenced off for the milk cows and we hope to have them on this patch by the 1st of July. By the time they eat out this patch the second planting will be ready and so on until the three acres are consumed. We expect to bed as many as ten bushels of sweet potatoes for seed. After we pull the slips twice we shall take them up and feed to cows and hogs. There is no loss to count in our sweet potato bedding. We have plenty of them and shall bed them accordingly. We hope to be able to dig a few rows by July 1st for table use and cow feed. We shall cut and feed the vines to the cows and shall give the cows all the potatoes they need. We can continue to dig a few rows from July on until frost. We are going to grow enough sweet potatoes for all purposes and we expect to feed them freely. We expect to begin feeding on citrons by the first of July. Cows, mules, hogs and chickens shall all join in eating citrons. They do not cost anything so we expect to feed them freely. Fat hogs, cows, mules and chickens will be the result of feeding plenty of citrons There will also be a lot of good milk and butter. The early dent corn will feed the family, the mules, cows and hogs, so we shall go strong on the dent corn. We never plant anything except the yellow dent. The peas in the dent patch will do for table use, cow feed, mule feed and chicken feed so we shall also go strong on peas. We hope to house two tons for winter cow feed. The sorghum will be planted in three or four ages which will enable us to feed on fresh sorghum from July 1st to frost. We plant nothing except the early amber as it is better for stock. Sorghum is fine for cows, mules and hogs so we shall go strong on sorghum, too. The two acres which we have set aside for patches and truck will come in fine for early peas, watermelons, sweet corn, chicken corn and the like. You will readily see that my first thought is for feed crops for table and livestock. After we attend to the feed crops we shall go to the cotton and peanuts. We shall plant our corn the first week in March, our cotton the last week in March and our peanuts the dark nights in April. The cotton goes in three foot rows, the runner peanuts in 30-inch rows and the Spanish peanuts in 18-inch rows. So that is about our set-up for our little crop for 1935. How does it compare with your plans? I requested that you make up your table and have it ready to compare with mine. I hope we do not disagree very materially about our crops. Please bear in mind that I believe in growing early crops. I say for them to grow just as nature would have them grow. Volunteer peanuts, corn or cotton seed will tell you when nature says for these crops to begin their growth. I realize that we have some smart guys who know better than nature but I'm following nature instead of wise men who buy corn and meat.

How do you feel about the preparation of your soil for planting? I find that quite a large percentage of our farmers do not realize the importance of thoroughly breaking their lands. You can make some crop by careless and shallow breaking of your soil but it takes careful preparation to produce good crops. I know of one man in this county who says that he is going to produce 50 bales of cotton this year with one pair of mules. That man believes in doing all the work possible before you plant. He even says that it is a good plan to break your land twice before planting if you can do so. I suggest that you test your field as you break your soil. An ordinary school rule will serve for making this test. Go about and stick the rule down in the soil so you can ascertain just how deep the fresh plowed soil is. You will be surprised to learn just how shallow you are breaking your ground. The best field of corn I ever grew was made on land that had been broken with a small pair of mules to a six-inch steel beam. But another mule came right along behind them in that same furrow pulling a five-inch shovel. The land was broken about 8 inches deep and you never saw such corn as we made that year. Let me appeal to you to break your soil deep and close where you are to plant corn, cane, sorghum and peanuts. These crops must have moisture and we must break our soil deep if we are to have moisture during dry weather.

How about that old age pension? Are you talking it to all your neighbors? I notice that the big boys up in Washington are beginning to talk about old age pensions. Nothing much was said about it during the last Congress, which causes me to feel that we are making some progress. If all the folks will keep up the fight we shall have old age pensions in a short length of time. Many men and women are writing about this matter and are making inquiry as to what they might do to help out in the cause. I'll tell you what to do if you want to help more than just talking. Write a letter to your Congressman and a letter to each of our U. S. Senators. Tell them how you feel about the question of old age pensions and insist that they place themselves on record in favor of same. If every citizen in the United States who believes in old age pensions would do this one thing it would be a great help. Our law makers cannot know how you feel about the matter unless you write and tell them about it. So write today and tell them in plain English how you feel about the matter.

WATCH YOUR KIDNEYS!
Be Sure They Properly Cleanse the Blood

YOUR kidneys are constantly filtering impurities from the blood stream. But kidneys get functionally disturbed—lag in their work—fail to remove the poisonous body wastes.

Then you may suffer nagging backache, attacks of dizziness, burning, scanty or too frequent urination, getting up at night, swollen feet and ankles, rheumatic pains; feel "all worn out."

Don't delay! For the quicker you get rid of these poisons, the better your chances of good health.

Use *Doan's Pills*. *Doan's* are for the kidneys only. They tend to promote normal functioning of the kidneys; should help them pass off the irritating poisons. *Doan's* are recommended by users the country over. Get them from any druggist.
